GRANITE FALLS HIGH SCHOOL

Granite Falls, North Carolina

Edited By Susan Moss

# FOREWORD

Turning points in our lives; taking a test walk in education; smoothing away those immature, childish signs; learning to say so much before writing a word; having a right to dignity whether freshman, sophomore, junior, or senior; being as subtle and sophisticated as only restless students can be at ball games, dances, and banquets--these changes sparkle in our personalities as we come to the end of another school year--an impressive year in which changes have been made for the better. This now is the moment that belongs to each of us and so we begin with these thoughts--

To thee, old Granite High School  
Thy praises we'll ever sing!  
We'll hold thy standards  
Throughout life . .  
And keep thy honor clean.

## DEDICATION

As the years quickly draw a close to our careers at Granite High, we remember the chosen few who have guided and directed our education. We can never forget two people who have stressed excellence in academics and a challenge to think and question. Nor can we forget the dignity and purpose that these two have brought to their classes. From our great appreciation for their sincere efforts to impart a greater knowledge to their students, we, the BOULDER staff, dedicate the 1967 BOULDER to--

MR. AND MRS. JOHN E. KEEVER

## Principal

We feel we are lucky to have such a forceful leader as Mr. Bill Metcalf. Every phase of school activity receives his attention. He is one who is always interested and concerned with each student.

Guidance Counselor--M. S. Deal

# 1966 FOOTBALL TEAM

It was one of the best of seasons and yet the season of the worst defeat. It was a season of daring action, but the Demons made it successful and exciting. Quick kicks, hard-nose defense, and breathtaking runs were the order of the day for the charges of Coach Kirkpatrick. It was a season of state ranking and renewed respect by our conference peers. All in all, it was a season to be proud of and to remember.

## J.V. FOOTBALL TEAM

This year's Junior Varsity football team, under the leadership of Coach Deal and Coach Bolick, rolled through an undefeated season.

The season was highlighted by victories over the JV's of Maiden and Fred T. Foard. This was the first JV team to ever go undefeated at Granite Falls High School and congratulations go to the members of the team. With the loss of a large number of varsity players this year, the Junior Varsity should help ease the loss on this year's squad.

Mixed emotions . . .

This year's girls basketball team came into the season ready for a few wins. With a number of girls returning from last year's team and quite a few good prospects coming up, the Demonettes look very promising. Although last season's team was winless, it provided quite a bit of helpful experience for many of the girls. The students here at G. F. H. S. want to wish this year's team the best of luck.

Basketball players or cheerleaders?

Coach Deal gives the girls his viewpoint during a time-out.

As time marches on.

It's a bird, it's a plane, its . . .

"In the land of the Jolly Green Giant!"

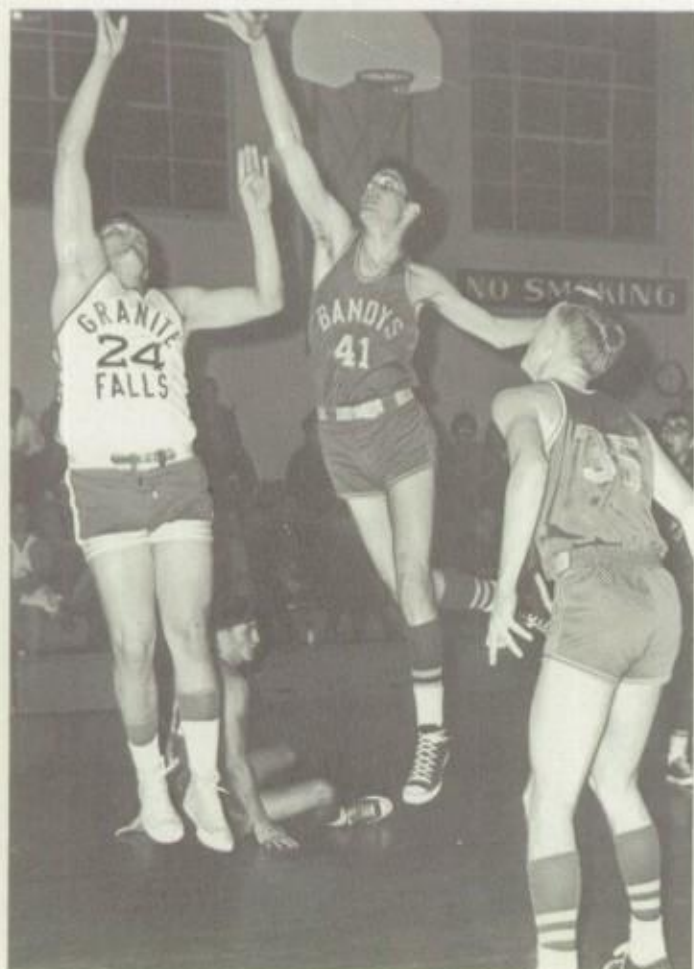

The 1966-67 edition of the Blue Demons will carry many new faces on the squad. With only three lettermen returning from last season, this year's success will depend a great deal on the success of the new members to adapt to varsity competition. With game experience, the Demon team should prove to be an exciting team.

Ballet anyone?

Everyone looks on hopefully.

Better watch out Jim!

Who's the wise guy that put the gum on the ball!!

FIRST ROW: Keith Estes, Benny Kirby, Keith Starnes, Donald Reid, Mike Pearson, James Moore, Dale Bright, Terry Reep. SECOND ROW: David Annas, Danny Whitener, Terry McRary, Gene Munday, Steve Teague, Ricky Noggle, Reid Cline.

# TRACK TEAM

Open House in the Locker Room

The 1966 track team finally began to show dividends for the many hours spent by its members. The season was the most successful one yet for the relatively young track program here at Granite High.

The squad showed its real colors at the Conference meet held at Morganton. The Demons set school highs both in points scored and final standing in the meet.

Although the Blue Demons lost several key men through graduation, this year's team should continue to show a marked improvement.

SEATED: Ronnie Duffey, Walter Hodges, Reggie Propst, Mike Rhea, Michael Ward, James Helton. STANDING: Greg Teague, Terry Williams, John Corpening, Tommy Duffey, Kenneth Hamby, Coach Kirkpatrick, David Bumgarner, Clarence White.

Greg displays his running ability for the Granite Track Team.

# 1966 BASEBALL TEAM

FIRST ROW: Steve Whitener, Dennis Richards, Danny Hall, Marty Curtis, Wayne Church, Lynn Smith, Will Burwell, Steve Davis. SECOND ROW: Coach Deal, Mike Simmons, Jim Benfield, Ricky Church, Steve Short, Floyd Lail, Greg Travis.

Even though the 1966 baseball team had only a break-even record, the team featured plenty of hustle and spirit from its ballplayers.

The 1966 squad, comprised mainly of lower classmen and this year's team, looks to be a contender for conference laurels. With an experienced pitching staff and some of the seasoned hitters returning, the Demons should improve on last season's record considerably.

The Blue Demons' batting department is led by Dennis Munday, Jackie Clarke, and Jim Benfield. The pitching is in the capable hands of Lynn Smith and Marty Curtis.

The long stretch at first.

Zap! Bop! Pow!

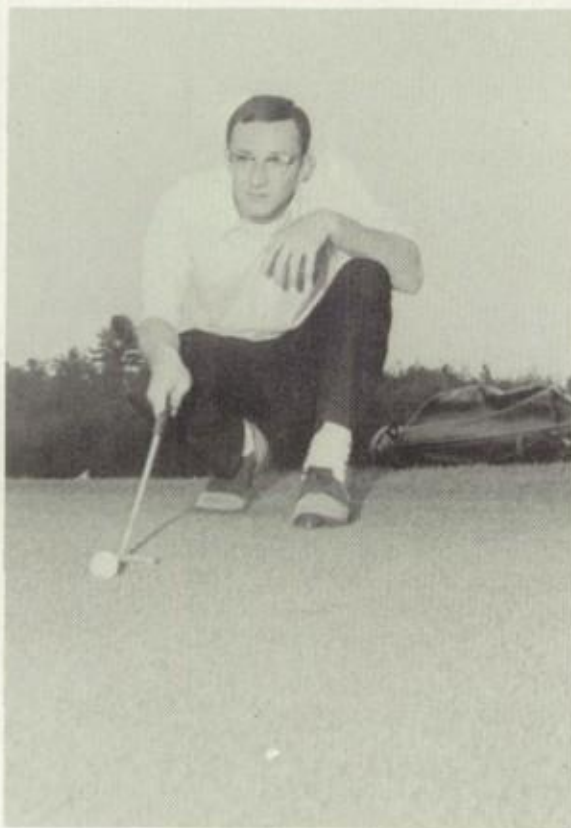

# 1966 GOLF TEAM

Although golf is a relatively new sport at Granite Falls High School, it had a very successful 1966 season. With the able assistance of Coach James Bolick, an even better season is anticipated for 1967.

Dearest Steve,

Monday April 24, '67

You asked me to write about everything from when we started going together last year. I probably can not remember everything, but, I will try to do my best. I did not think our love could last as long as it has. We have been going together for 1 year and 1 month. They have been very wonderful.

Well, the beginning was at the show. I am so glad that time came in my life. I can never forget when I first saw you I could not stand you. I did not even like you, but (now I wonder why I didn't.) I know I can't do without you.

The next week I wanted to sit with you very much. You were going to sit with me, but, you wanted to long and I had to leave.

Now, this is my week to remember. You finally asked me to sit with you. You asked if you could sit up there and I told you that the site were empty. You offered me a piece of chewing gum and I would not take it.

I hope you have to write in something of

I can't do without you.

I Love and need you.

I'm yours forever.

I Love you,

Patsy

mine sometime so you will know how I felt. I can't remember everything. I just thought of something.

The next week you had to go to work. I remember you had "Lorky" to tell me happy birthday and you hoped to be off next week. That was a very loney night.

One Sunday you & Hug were riding by my house. I wanted you to stop very much. I was afraid for you to stop and you were afraid to. I don't blame you. Ifaddy scared me to death when he said he was going after you. I did not know what he would do. I only knew I was so happy to see you past. Just the sight of you makes me fill good.

When we started playing ball out in the field it was wonderful. I loved it. We had a hard time getting you to come in the house the first time.

Babe,  
I will never  
forget the times  
I have had  
with you. I  
know you and I  
will have many more  
things after you very wonderful  
will be married in (2 to 5 years)  
that is it you still  
want me.

Yours Only  
Your Future  
Wife.  
Mrs. Hilton  
(Patsy)

Will

I love having you. Aunt down the other  
week. & he is very nice. I like her and  
I hope she likes me. I am sorry for  
making you angry at me anytime.  
It hurts me very much. I hope you  
will forgive me. I sincerely hope you  
will never break up with me. I can't  
do without you. I enjoy riding in  
your car. Please try in school.

Please don't lay out. I hope you  
will pass. Please try.

Last summer was very wonderful  
knowing you.

Steve,  
I love  
you, but I  
can never find how  
the words to say think  
much I do. I think  
you already know.  
This is "I'm turning you,  
I in yours will be.  
I always will be.  
Patsy

Always

When you and I first began it was wonderful.  
Bobby tells him. That will probably never  
come true. (Mat soon anyway, But, I  
hope it will. It would be wonderful if  
it could.

I try to be angry at you but I  
can't. I do hope you will go to  
school. I know just what you will  
say - if you love me you will trust  
me. I do love you & I will trust you,  
but, how can I when I see you  
out riding around. I do trust  
you. I will prove it this weekend.

Steve  
Allen,  
that I sound  
as if I am  
mad at you.  
Which I am not.  
I can never be  
I Love you to much.

With  
Love,  
Patsy M.  
Sedlitzky

Love

Now to come up to date: I want to  
wish you the best of luck in (your)  
future. Try hard in school I know

you can pass ~~it~~ you only try.

I, also, know you are a boy +  
love cars so if I get upset about you  
+ your car just remember its because

I Love You.

I hope to meet your family some-  
times.

I can't think of anything to write  
now.

I want to wish you the best, because,

Hi Honey,  
I enjoy

seeing  
ride

each  
right of you  
me

day. Just  
fill makes  
remember good.

I love  
you.

Patsy

You

you deserve it. I wrote big on some pages so I could fill it up for you. I hope you will always be mine I can not do without (YOU). I need you. I wish you & I could see each other more often. I hope you will forgive me for all my meanness.

Please forgive me for messing up your book. I can't write, it is so sloppy. No tell the truth I hope, what Bobby said comes true.

Best of Luck !!

Forever Yours,  
With Love,

Hatsy Getlunyer
